Dear Mr. Jeevan K Retnan,

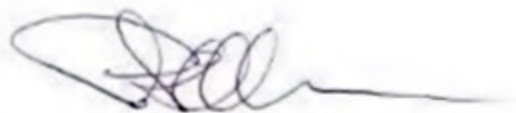

I would like to appreciate your team; they demonstrated a high degree of dedication and with minimal supervision, produced a very acceptable result.

I would like to commend the team for maintaining dedication to the tasks at hand. The projects are well controlled and delivered on time and to our expectations.

I believe each team member should be highly commended for their achievements and efforts in the project engagement. We at TASNEE look forward to further our already fruitful relationship with MAZCO.

Again, my personal thanks for your part in this project and for selecting for us an excellent team!

Yours Faithfully,
